

On Sunday, May 7th, 2023, we will gather in person for the annual Hike for Hospice in support of Hospice Orillia and Mariposa House Hospice.

The Hike for Hospice is integral for both organizations as it enhances the sense of community, increases awareness of Hospice Palliative Care, and raises much-needed funds. 100% of the funds raised will stay local to support Hospice Orillia and Mariposa House Hospice. These organizations work together to provide services across the continuum of hospice palliative care, from diagnosis through end-of-life, including bereavement support for surviving loved ones.

Below are a few of the ways you can join the growing list of supporters by:

- participate in the hike
- donate an item for the prize table
- offer a Hike exclusive discount to participants
- become a sponsor

Together, we can make this year's Hike for Hospice the most successful yet. When good people come together for a good cause, **the possibilities are endless!**

WHO YOU ARE HELPING...

Hospice Orillia

Hospice Orillia offers practical, emotional and spiritual support to those in our community coping with advanced illness, death and bereavement. Our volunteers and staff serve clients and their loved ones of all ages and backgrounds with compassion and respect, while honouring their choices and supporting them through their life journey.

Hospice Orillia has been recognized as a leader in both providing and advocating for Hospice Palliative Care services within our community since 1989. We are honoured to be able to continue to provide the services our community members deserve.

Mariposa House Hospice

At Mariposa House Hospice we will Honour Every Moment of Life, one terminally ill patient and their family at a time. Mariposa House Hospice will support all citizens of Orillia and area to die with the highest quality, locally supportive palliative care.

Each patient and their family will be given the care and emotional support that they need as the end of life is approaching in a warm, sensitive environment run by professionals and dedicated volunteers. We want the experience of death and dying at Mariposa House to be as positive as possible for our patients and their families. Mariposa House will be a place recognized for high quality care and comfort.

Participate

Put together a team for the 2023 Hike for Hospice; why not even pose a friendly challenge to another business to see who can raise the most in pledges! To register your team, please visit www.facebook.com/H4HORillia.

Should you choose to challenge another business, be sure to use #H4HORillia, along with your online giving page, on social media to help boost your chances of claiming victory. Think of this as a version of 'sign wars' that can help to raise funds for two local hospice organizations. It's a win win!
