

About Us

Bereavement Ontario Network is a diverse group of organizations and individuals throughout the province that work in the field of grief, bereavement, and trauma as professionals and volunteers.

Membership in the Bereavement Ontario Network is open to individuals, volunteer organizations, small businesses, and corporations. We are here to support you and your loved ones through your bereavement journey.

Our Goals

- To encourage information sharing and networking among individuals and organizations who come in touch with grief, bereavement and trauma.
- To increase public awareness of issues of death, dying, and bereavement.
- To identify service gaps on a regional basis and encourage service provision through advocacy and support.
- To support the members of Bereavement Ontario Network and their goals and activities.
